

### REMARKS

Reconsideration and allowance of the subject application are respectfully requested.

Claims 1 - 282 are pending in the application.

Claims 1 and 30 have been amended to correct typographical errors. The breadth of the claims has not been altered. No claims have been amended to overcome prior art. The full doctrine of equivalents applies to each and every claim limitation.

Basis for new claim 282 can be found in the originally filed application, including at page 55, lines 14-16. No new matter has been added.

All previous amendments, including to claim 1, did not affect the breadth of the claims and were not made to overcome prior art. Thus, the full doctrine of equivalents applies to each and every claim limitation.

In view of all of the objections and rejections of record having been addressed, it is sincerely believed that the subject application is in condition for allowance and Notice to that effect is respectfully requested.

Respectfully submitted,

Manelli Denison & Selter, PLLC
